FACTS:

- Released his 1st Debut Full Album, “Happy Day” on May 2, 2025 on all major streaming platforms and online music stores. The album explores the idea of **living an enriching life on one’s own terms**, inviting listeners to *break free* from social expectations and *rediscover their inner power*. **Pete Palma’s songwriting**, both *authentic* and *unapologetic*, offers an experience that is **equal parts provocative and uplifting**.
- You Tube **Talk Show Host for “Operation Status Quo”** <https://www.youtube.com/@OSQ2023> where he candidly addresses **current events, spiritual enlightenment, personal empowerment, and self-care**—with a *healthy dose* of **satire** and **bold truth-telling**. Known for **challenging mainstream narratives**
- **Palma’s, voice has been described by listeners as “raw yet familiar,” drawing comparisons to icons like Neil Diamond and Rod Stewart, brings a *distinct edge* that sets him apart**

-
- Born and raised in Philadelphia, PA, currently Resides in Tampa FL.
